Mr. George M. Bacon
State Engineer
Capitol Building
Salt Lake City, Utah.

Dear Mr. Bacon:

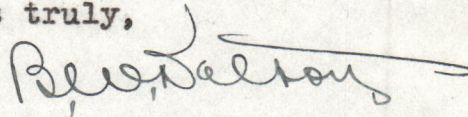

InRe: Emery Canal and
Reservoir Co.

I am in receipt of your letter of October 20th.

I am sure that the people I represent will insist upon a division of fifteen sixteenths of the stream. They claim that they have used this and wish to maintain it. They, however, would like you to pass upon these matters. If this cannot be done, then the only thing that I can see is for my people to defend wherever it is necessary for them to do so.

We very much appreciate your efforts in this matter and would like very much to retain the matter in the Engineer's Office.

Yours truly,

D:P
